Final Reminder: Correspondent Final Documents Address Change

In **SEL-2024-020** published on May 28th, we began communicating that the address utilized to send U.S. Bank Correspondent Final Documents would be changing **effective June 28, 2024**.

Since that time, we have issued numerous reminders of the new address, however, we continue to receive Correspondent Final Documents at the previous address. Additionally, some lenders also continue to utilize a previous address (Frederica Street) retired more than a year ago.

To minimize disruption to your business, please ensure that your teams are aware of this change as shown below.
