[VA Circular 26-20-13 - Valuation Practices during COVID-19 \(Updated\)](#) provided updates to VA's previous policy on flexibility for VA Appraisals. This update replaces all other communications on this topic including **SEL-2020-022**. Updates are in **green** below for your ease of review. VA also published Circular 26-20-14 introducing new appraisal review requirements and new Appraisal Management Service (AMS). Due to current volume and the COVID-19 environment, U.S. Bank will implement this at a later date and communicate at that time for non-delegated lenders.

Temporary Appraisal Requirement Flexibilities

When an interior inspection is not obtainable due to COVID-19 pandemic, either a desktop appraisal or an exterior-only inspection appraisal in lieu of the interior and exterior inspection appraisal (i.e., traditional appraisal) will be allowed. We must document why this flexibility was utilized.

If a traditional appraisal is not obtained and there is insufficient information about the property for an appraiser to be able to complete an appraisal assignment with a desktop or exterior-only inspection appraisal, the loan will not be eligible for delivery to Ginnie Mae.

Borrowers should be made aware that refusing to allow an appraiser in when a traditional appraisal is required may delay the loan process.

The flexibilities apply to Purchase transactions loan amounts limited to **1½ times** the maximum Agency 2020 conforming loan limits for 1-unit limit for the county or county equivalent area. Purchase loan amounts greater than **1½ times** the conforming 1-unit county limit must have an interior exterior appraisal.

Loan Purpose	Permissible Appraisals (in order of preference)
Purchase equal to or less than the 1½ times the Agency 2020 conforming county loan limits for 1 unit	Traditional appraisal Exterior-only appraisal (<i>excluding HFA</i>)
Purchases up to Agency 2020 conforming county loan limits for 1-unit	Desktop appraisal
Purchases exceeding the 1½ times Agency 2020 conforming county loan limits for 1-unit	Traditional appraisal only
Cash Out Type I and Type II	Traditional appraisal only
IRRRL	No appraisal required

Desktop appraisals

For purchase money transactions when an interior and exterior appraisal is not available, desktop appraisals are preferred rather than an exterior-only appraisal.

The minimum scope of work for a desktop appraisal does not include an inspection of the subject property or comparable sales. The appraiser relies on public records, multiple listing service (MLS) information, and other third-party data sources to identify the property characteristics.

Lenders must state in both public notes in WebLGY and by email to the appraiser if they will accept a Desktop appraisal.

Each desktop appraisal report must include the following exhibits:

- a location map indicating the location of the subject and comparables, and
- photographs of the subject property. We recognize that it may be challenging in some instances to obtain photographs; however, it is expected that the appraiser utilize available means to obtain relevant pictures of the subject property.

Temporary Flexibilities for Appraisals for VA Updated and Future SAR Requirements, continued

Desktop appraisals, continued

VA requires appraisers to attach a copy of the provided Scope of Work (SOW) VA Circular 26-20-11 Exhibit A.

Property Type	Acceptable Appraisal Form
One-unit property, including a unit in a planned unit development (PUD) or a VA approved condominium unit	Uniform Residential Appraisal Report 1004, 1073
2-4 Unit Property	Uniform Residential Appraisal Report 1004, 1025
Manufactured Home	Uniform Residential Appraisal Report 1004C

Exterior-only inspection appraisals

Property Type	Acceptable Appraisal Form
One-unit property, including a unit in a planned unit development (PUD) or a VA approved condominium unit	Uniform Residential Appraisal Report 2055/1075
2-4 Unit Property	Uniform Residential Appraisal Report 1025
Manufactured home	Uniform Residential Appraisal Report 1004C

For each exterior-only appraisal the appraiser will:

- review the full exterior of the property and provide photos of all sides of the property with detailed notes of the exterior and any visible MPRs. In instances of obstructed or restricted view and access is unable to be granted or allowed, Multiple Listing Service (MLS) photos of these areas may be utilized. If MLS photos are utilized, it must be explained in the appraisal report.
- Include a measurement of the footprint of the home should be provided if accessible. This is not to determine the gross living area (GLA) but for the appraiser to reconcile with public records.
- conduct a detailed interview over the phone with the occupant, Veteran, or real estate professional regarding the property. It is the appraiser’s responsibility to obtain sufficient information to provide a creditable report. Interview questions should be noted and kept in the appraisers work file. Key items that may impact market value should be noted in the appraisal report with details about what was provided and by whom.

HFA Note: Exterior-only appraisals are not eligible for Housing Finance Agency (HFA) VA loans in that exterior-only appraisals are more limited in their assessment. For HFA, a full interior and exterior appraisal is required.

Completion Reports: Certification of Repairs will be completed with documentation from licensed personnel i.e. paid bill for repairs. Lead base paint repair certifications must still be completed by the appraiser.

Termite Reports: Termite Inspection report for properties located in an area on the Termite Infestation Probability Map of “very heavy” or moderate to heavy” will still be required.

Temporary Flexibilities for Appraisals for VA Updated and Future SAR Requirements, continued

Additional NOV Conditions: Any additional items that need to be met on the NOV to comply with VA requirements must be met and completed in 60-days from the date of the NOV issuance.

Reconsideration of Value: Reconsideration of Value for purchase transactions will be restricted to no greater than 7 percent from the appraiser's opinion of value or \$10,000 whichever is greater. VA has suspended ROV for cash out transactions.

Appraisal Fees: Fees for Exterior- Only appraisal with enhanced assignment conditions or a Desktop appraisal will remain the same as an Interior appraisal. VA may require appraisers to complete a 1004D appraisal update within one year of completing an Exterior-Only or Desktop appraisal under the same fee payment.
